This image represents the Divine Mercy of Christ as revealed to Sister Faustina in her convent cell in Poland in 1931. In the apparition, Faustina said that Jesus told her to paint the image with the words "Jesus I trust in You" and that it would be venerated first in her chapel and then throughout the world. In this striking image Jesus is seen standing in a heavenly landscape with flowers, trees and hills, with the red and blue rays of Divine Mercy flowing out from him.

## Faithful Chaplain's Message

The Vanguard – December 2019

### Looking Ahead to a New Year

Niagara is perhaps known Canada-wide and worldwide for the wonderful soil and climate to grow many fruits and produce good ice wine. Farmers, growers, labourers and many others have taken advantage of the soil and climate to help maximize the yield of good fruit every year.

The book of Ecclesiastes tells us there are times and seasons to everything in our lives. There are beginnings and endings. The end of the calendar year provides a chance for many to look back on the successes and failures of the previous year and to reset with renewed focus and resolve for the new year. As we enter into a new liturgical year, this too always provides us an opportunity to reflect on and examine this past year and to look forward with renewed fervour and anticipation for the new year. We can only achieve so much by our own effort and resolve. If we truly wish to maximize the yield of our potential as children of God, then we need only the grace provided by God augmented by our own effort. The time is ripe! We need to be the change in ourselves that we desire to see in the world. It begins with us! Our Lord has so arranged things that we are missioned to participate in what God is already doing to maximize the yield of good fruit, to restore what is sick to health and to prune those tendencies in ourselves and in our world that lead to the production of bad fruit.

My brothers and sisters in Christ, as we journey with the Gospel of Matthew in this new liturgical year, our Lord will show us how the great events and figures of the Old and New Testaments can teach us to recognize the patterns of God's loving labours in our world. Even more, he will show us how the life, ministry, passion, death and resurrection of Jesus of Nazareth the Christ of God are the faithful ripening of that history. As we receive the grace-filled fruits of those labours in the Church, we are empowered to tend to the vineyard here and now, to help maximize the yield of good fruit in the coming year of our Lord.

Father Stephen Innamorati

Faithful Chaplain, Council 1394

## Grand Knight's Report

The Vanguard – December 2019  
Johnson Moraes

---

Dear Brothers;

Thank you to all my Brother Knights for re-electing me to the 2nd term as your Grand Knight for council 1394. It is such a great honour for me to serve at this council and be a part of many charity events that we host. I have learned a lot and am still learning more.

To name a few local organizations we support are: Ozanam soup kitchen, Out of the Cold, Start me up Niagara, Sisters of Our Lady Immaculate, Bishops Charities, Churches, Seminarians, Right to Life and many more. All this is only possible with the kind hearted Brother Knights and their spouses we have in our Council who work relentlessly and extend their hands to make every event of our council a grand success. I can't thank you all enough as I enjoy every moment of the time spent at these events.

We have so many events that happen in our council year after year namely: February & November breakfast, St. Patrick's Day dinner, Columbus Day dinner, Christmas party, Yard sale with Barbeque, Lapel Roses sale.

As we are nearing the season of Advent, followed by Christmas, I take this opportunity on behalf of my family wishing you and your family many blessings of Advent and a spirit filled joyous Christmas season.

Once again I thank you my brother's for putting your trust in me and I assure you of my full support at all times.

Johnson Moraes

Grand Knight, Council 1394

## Deputy Grand Knight's Report

The Vanguard – June 2019

Carl G. Pearson

---

Brothers and Sisters in Christ;

It's hard to believe that the Christmas Season is once again upon us;

The past six months since our last edition of the Vanguard have come and gone so quickly, the months seem to close as if they're days and days pass as if hours. It is my hope that this newsletter will serve as a reminder of notable milestones we can celebrate as a contingent and assist in forecasting the months to come.

Since my last report a great deal of time and energy has been donated by the membership to fulfill our guiding principles of Charity, Unity, Fraternity, and Patriotism. Thanks to dedicated Brother Knights and supporting family members, St. Catharines Council 1394 has stayed true to its roots; with God's grace we have and will continue to achieve many great things.

Thank you to each and everyone of you for supporting our council's initiatives.

That said, taking stock of the second half of 2019 is bittersweet, as we have celebrated the passing of some dynamic members of our council. Each gentleman listed on page 8 is a shining example of the passion we share and has left an indelible mark on our community. As an individual, and as a group walking in the footsteps of our fallen, we have some large shoes to fill.

If we are to honour the guiding principles of our order and honour our departed members, moving forward we must work together to foster participation and stimulate membership.

My family, wishes you and your family a Merry Christmas and a healthy and prosperous new year.

Vivat Jesus

Brother Carl G. Pearson

Deputy Grand Knight, Council 1394

## Pro-Life Coordinator Report

The Vanguard – December 2019  
William R. Mathie, Past Grand Knight

---

Brothers and Sisters in Christ;

In the several years since St. John Paul II identified the threats posed to the Culture of Life by the scourge of abortion and the growing acceptance of euthanasia, the Knights of Columbus have made the defence of innocent human life from conception to natural death a central aim of our Order. In recent years the Knights have furnished ultra-sound technology to many crisis pregnancy centres. In Canada, the Knights have helped fund the annual March for Life in Ottawa.

In the New Year, members of Council 1394 will resume their fund-raising efforts in support of the Culture of Life through the sale of lapel roses at Thomas Aquinas, Star of the Sea, St. Denis, Our Lady of Perpetual Help, St. Alfred, St John the Theologian, St. Vincent de Paul, and St. Julia parishes. Last year nearly \$3,000 was raised in this campaign. The funds we raised helped the St. Catharines Right to Life send several students to the March for Life in Ottawa in May and enabled our Council to make scholarship awards to pro-life student leaders at Denis Morris, St. Francis and Holy Cross High Schools. Our Council has also supported the work of Bishop Bergie's Respect Life Committee.

William Mathie

Pro-Life Coordinator and Past Grand Knight, Council 1394

## Remembering Past Grand Knight John Currey

---

In November of 2011, The Knights of Columbus and the Catholic Women's League of the Diocese of St. Catharines held the first

Mass for their deceased members at St. Thomas Aquinas Church in St. Catharines. The idea of a joint celebration of the Knights of Columbus and the CWL was that of PGK John Currey, then, the Grand Knight of Council 1394, in St. Catharines. He proposed his intentions to then CWL President Wilma Vanderzwaag and when she agreed, this Mass became an annual event.

Brother John is one of the many dearly departed brothers who will be remembered as a man who successfully got things done for Council 1394. The joint Mass for deceased members of the Knights and CWL is just one example of his thoughtfulness and dedication to worthy causes. He is greatly missed by his family and Brother Knights.

## Wells of Hope, Making a splash one well at a time

---

A testimony to the great things that God allows us to accomplish in the name of Love!  
Thanks to my Council for all the support and prayers over the years!.....peace.....Ted V.

Michael K. Carrol, Past Grand Knight

Brother Knights;

I would like to take this opportunity to inform our membership of the importance of our work performed at our property at 235 Church Street, known as the Columbus Hall.

We have approximately 25 very active knights and their wives, and we have accomplished great rewards for our community!

The Columbus Hall is the "glue" that keeps us all together. To better our community as well as ourselves. Without this building, we would have nothing to offer, and would be unable to perform our good deeds. However, this comes at a cost:

1. Replaced new furnace and air conditioner
2. Replaced hot water tank
3. Replaced fridge, coffee maker, and toaster
4. Replaced the back door

AND we have a Wish list:

1. New roof
2. Upgrades to our bathrooms
3. Driveway and parking lot
4. Sewer system needs upgrades

"Brothers", the ball is in your court. Just imagine what we could accomplish with 50 ACTIVE Knights.

What we had to give up because our present volunteers, are overworked, and  
Why we need you to be more active !!!!! even a few hours would help !!!!!

1. Annual children's Christmas party
2. Annual turkey raffle
3. Annual Wells of Hope dinner
4. Annual car ticket sales
5. Annual Sponsored work
6. Weekly Euchre night

If you are interested in any of these functions. Please let us know.

We do need the income, to help support our charities, as well as our hall.

Thank you!

Michael K. Carroll, Past Grand Knight, Council 1394

## November Breakfasts

---

During the month of November our council hosted its annual breakfasts. Each Saturday morning during the month, the hall is set-up and meat items are pre-cooked. On every Sunday the doors opened at 8:30 a.m. and we serve over 150 meals inside a 4 hour period. Thanks to participating Brother Knights, their family members and students requiring volunteer hours we are successful in serving over 600 breakfasts during the month of November. Thank You to all our volunteers!

### In Honour of 100 Years - Poem by Author Joseph Pizzati

---

The Knights of Columbus  
Has such dramatic ideals  
And where else can fellowship find  
So many men from distant shores giving of their time.

Having now reigned for one hundred years  
With virtues of charity-unity and fraternity  
Your past successes and future endeavours  
From the inspiration of Father McGivney.

Each contribution remains highly relevant  
With your patriotism of community giving  
In a loving manner of courage and hope  
You've showed the value of living.

## DELTA BINGO AND GAMING

The Vanguard – December 2019

Through our partnering with Delta Bingo, the OLG and other participating organizations in the Niagara Region we have raised an outstanding 22 million dollars since March 2015. Council 1394 is proud to be one of the organizations in St Catharines to share 4.4 million dollars locally. All of our shared dollars are distributed to local charities that are helping those in need and local churches that we support.

### Donation to the Sisters of Our Lady Immaculate

Grand Knight Johnson Moraes and Deputy Grand Knight Carl Pearson present a cheque for \$1000 to the Sisters of Our Lady Immaculate at our October 2019 Columbus Day Dinner.

### Coats for Kids Presented to Community Care

Grand Knight Moraes, Deputy Grand Knight Pearson, and Financial Secretary Mikulinski presented coats to Betty Lou Souter of Community Care on behalf of Council 1394 in November 2019.

## Spotlight on Brother Joseph Pizzati

Council 1394 replaced our road sign in November of 2019. Reason for this update was two pronged: first, the original sign was near the end of its lifecycle and second, the new sign conforms to new regulations implemented by supreme. We also have the fringe benefit of having a hall rental advertisement. Brother Joseph Pizzati came to our aid by donated the new road sign and artwork.

In July of 2019 some brother knights gathered to install a new Pro-Life sign on the west side of the Columbus Hall (Facing the old Delta Bingo complex). The sign contains a photo of an expecting mother with the caption **"Why Can't We Love Them Both?"** Again, Brother Joe shared his expertise and generosity by donating this sign and artwork to the Columbus Hall.

Brother Joseph Pizzati is a professional sign maker and very active member of Council 1394. In his spare time Brother Joe also likes to unwind by painting with oils. In this, we are fortunate to be benefactors of a very unique fundraiser that Brother Pizzati runs by himself annually. For instance, the painting to the left was created by Joe this year and is his most current donation to the council. Brother Joe not only donated his time to paint this lovely piece of art, he also donates his time to operate the fundraiser.

Joe, **Thank You** for sharing your very special talent!
